

### REMARKS

Claims 2,3,6,8,12,13,15,16, and 18-23 were withdrawn . Claims 14-17 were cancelled. Claims 1,5,7, and 9-11, were rejected based on *Mara* in view of *Makarof*. Claim 4 was objected to as being dependant upon a rejected base claim, but would otherwise be allowable if written in independent form.

### **Claim Objections**

Claims 14-17 have been corrected as requested.

### **Claims Rejections under 35 USC § 103**

The Applicant has rewritten claim 1 to include original claim 4 (allowable subject Matter) as element 1(e) and original claim 4 was cancelled. Original claim 4 depended only from Claim 1. Therefore, Claim 1 should now be allowable. Claims 5, 7, 9-11 and 14 depend from claim 1 and are therefore now allowable. Allowance of claims 1, 5, 7,9-11 and 14 as amended is hereby respectfully requested, as is a Notice of Allowance.

Respectfully Submitted,
